

Create Request API — Keys Reference

Total Keys: 191 • POST /requests • multipart/form-data

Main Request Fields (38 keys)

#	Key Name	Notes
1	userId	User ID of the creator
2	Company_Name	
3	PermitNo	Leave blank — auto-generated by backend
4	Sub_Contractor_Id	
5	new_sub_contractor	Optional name if Sub_Contractor_Id is 0
6	Foreman	
7	Foreman_Phone_Number	
8	Activity	
9	Type_Of_Activity_Id	
10	Request_Date	
11	Working_Date	
12	Start_Time	
13	End_Time	
14	Assign_Start_Time	
15	Assign_End_Time	
16	Assign_Start_Date	
17	Assign_End_Date	
18	Building_Id	
19	Floor_Id	
20	Plans_Id	
21	Zone_Id	Comma-separated zone IDs e.g. 10,11
22	zone	Zone name / label
23	Room_Nos	Comma-separated room numbers e.g. 101,102
24	Room_Type	
25	Number_Of_Workers	
26	Badge_Numbers	Comma-separated badge IDs
27	teamId	
28	Notes	
29	Request_status	Draft / Hold / Pre-Approved / Approved etc.
30	status	1 = active
31	Site_Id	
32	permit_type	Construction or Commissioning
33	permit_under	Construction or Commissioning
34	new_date	
35	new_end_time	

36	night_shift	0 or 1
37	Safety_Precautions	
38	denmark_time	

1. Chemical Hazard (9 keys)

#	Key Name	Notes
39	working_hazardious_substen	1 = yes, 0 = no (section toggle)
40	relevant_mal	
41	msds	
42	equipment_taken_account	
43	ventilation	
44	hazardous_substances	
45	storage_and_disposal	
46	reachable_case	
47	checical_risk_assessment	

2. Confined Spaces (9 keys)

#	Key Name	Notes
48	working_confined_spaces	1 = yes, 0 = no (section toggle)
49	vapours_gases	
50	lel_measurement	
51	all_equipment	
52	exit_conditions	
53	communication_emergency	
54	rescue equipments	
55	space_ventilation	
56	oxygen_meter	

3. Electrical System (6 keys)

#	Key Name	Notes
57	working_on_electrical_system	1 = yes, 0 = no (section toggle)
58	responsible_for_the_informed	
59	de_energized	
60	if_not_loto	
61	do_risk_assessment	
62	electricity_have_isulation	

4. Energising Electrical (29 keys)

#	Key Name	Notes
63	power_on	1 = yes, 0 = no (section toggle)
64	energising_equipment	
65	isolating_live	

66	working_near_live	
67	responsible_for_the_area	
68	risk_assessment_done	
69	barriers_signage	
70	arc_flash	
71	energized_been_tested	
72	punches_been_closed	
73	toct_checklist	
74	informed_aligned	
75	isolating_responsible	
76	isolating_risk_assessment	
77	cq_informed	
78	cq_provided	
79	de_energisation_request	
80	ppe_prepared	
81	absence_of_voltage	
82	stored_energy	
83	backup_power	
84	unavoidable	
85	reasonably_practicable	
86	work_authorised	
87	working_risk_assessment	
88	working_arc_boundary	
89	working_barriers	
90	insulated_tools	
91	event_of_emergency	

5. Energising Mechanical (9 keys)

#	Key Name	Notes
92	pressurization	1 = yes, 0 = no (section toggle)
93	performed_approved	
94	flushing_approved	
95	mc_approved	
96	visual_inspection	
97	loto_plan_approved	
98	follow_media_code	
99	cq_safety_signs	
100	mc_number_text	

6. Excavation (10 keys)

#	Key Name	Notes
---	----------	-------

101	excavation_shoring	1 = yes, 0 = no (section toggle)
102	excavation_segregated	
103	nn_standards	
104	danish_regulation	
105	safe_access_and_egress	
106	correctly_sloped	
107	inspection_dates	
108	marked_drawings	
109	underground_areas_cleared	
110	excavation_works	

7. Extra Misc (6 keys)

#	Key Name	Notes
111	Tools	Comma-separated tool names
112	Machinery	
113	description_of_activity	
114	mechanical_works	
115	electrical_works	
116	work_type	

8. Fire / Hotwork (26 keys)

#	Key Name	Notes
117	Hot_work	1 = yes, 0 = no (section toggle)
118	fire_watch_establish	
119	combustible_material	
120	safety_measures	
121	extinguishers_and_fire_blanket	
122	welding_activity	
123	heat_treatment	
124	air_extraction_be_established	
125	name_of_the_fire_watcher	
126	phone_number_of_the_fire_watcher	
127	fire_guard_present	
128	low_risk_hotwork	
129	high_risk_hotwork	
130	hot_work_checklist_filled	
131	h_heat_source	
132	h_workplace_check	
133	h_fire_detectors	
134	h_start_time	
135	h_end_time	

136	fire_image	
137	tasks_in_progress_in_the_area	
138	account_during_the_work	
139	lighting_sufficiently	
140	specific_risks_based_on_task	
141	work_environment_safety_ensured	
142	course_of_action_in_emergencies	

9. General Checklist (7 keys)

#	Key Name	Notes
143	affecting_other_contractors	1 = yes, 0 = no (section toggle)
144	other_conditions	
145	other_conditions_input	
146	lighting_begin_work	
147	specific_risks	
148	environment_ensured	
149	course_of_action	

10. Height (14 keys)

#	Key Name	Notes
150	working_at_height	1 = yes, 0 = no (section toggle)
151	segregated_demarkated	
152	lanyard_attachments	
153	rescue_plan	
154	avoid_hazards	
155	height equipments	
156	supervision	
157	shock_absorbing	
158	vertical_life	
159	secured_falling	
160	dropped_objects	
161	safe_acces	
162	weather_acceptable	
163	height_training	

11. Lifting (9 keys)

#	Key Name	Notes
164	using_cranes_or_lifting	1 = yes, 0 = no (section toggle)
165	appointed_person	
166	vendor_supplies	
167	lift_plan	
168	supplied_and_inspected	

169	legal_required_certificates	
170	prapared_lifting	
171	lifting_task_fenced	
172	overhead_risks	

12. PPE (6 keys)

#	Key Name	Notes
173	specific_gloves	1 = yes, 0 = no (section toggle)
174	eye_protection	
175	fall_protection	
176	hearing_protection	
177	respiratory_protection	
178	other_ppe	Free text — list of additional PPE

13. Pressure Testing (11 keys)

#	Key Name	Notes
179	pressure_testing_of_equipment	1 = yes, 0 = no (section toggle)
180	line_walk	
181	pressure_test_coordinated	
182	pipework_mic	
183	loto_plan_attached	
184	exclusion_zone_calculated	
185	pnematic_hydrostatic	
186	pressure_of_the_test	
187	safety_valves_calibrated	
188	pressure_pneumatic	
189	pressure_hydrostatic	

File & Image (2 keys)

#	Key Name	Notes
190	Image1	Optional Base64 encoded image string
191	rams_file	File upload — one or more RAMS attachments

Section Summary

Section	Key Count
Main Request Fields	38
1. Chemical Hazard	9
2. Confined Spaces	9
3. Electrical System	6
4. Energising Electrical	29

5. Energising Mechanical	9
6. Excavation	10
7. Extra Misc	6
8. Fire / Hotwork	26
9. General Checklist	7
10. Height	14
11. Lifting	9
12. PPE	6
13. Pressure Testing	11
